- The NJ LMSC did not sanction (nor recognize) the NJ Senior "Olympics" since they still use the word "Olympics" in their event name.
(<https://www.njseniorolympics.com/>) This is in violation of USMS rule 202.1.1.D The organizing group (specifically, Mike Garamella) has been informed and wishes to use up their "Olympic" awards/medals inventory before they stop using "Olympics."

II. Old Business

A. Deirdre shared a link to the August 20th meeting minutes. **The Board will review/approve via email.**

B. Question to USMS about Gifting and Discounting USMS Membership:

- NJ LMSC Board was exploring the feasibility to discount USMS registration fees for 18-30 year olds. The NJ LMSC wanted to find out how to implement a \$20 discount from the \$70 membership fee
 - Per email response from USMS, the launch of Salesforce CRM (February 2022) will be the catalyst for greater functionality, including things like gift memberships. There is no estimate on how long it may be before it is available but it is on the USMS IT backlog.
 - Did we disable the ability to apply a discount via the USMS registration system? USMS disabled that functionality when we transitioned to the unified fee.

- C. An "Event in a Box" concept was discussed at Volunteer Relay. Per Jerry, it is a toolbox to help people create/run a meet.
